

Petition to the Trustees of the Waterloo Catholic District School Board
Trustee Kathy Doherty-Masters Must Resign

Whereas we have learned of a serious financial conflict of interest involving Trustee Kathy Doherty-Masters in which she was involved in decisions which resulted in funnelling WCDSB contracts and payments to her own husband;

And whereas she had an ethical and legal obligation to recuse herself from any board decisions that could have resulted in providing a financial benefit to her immediate family members;

And whereas it is unbecoming for a religious school board to have sitting on its board a trustee who has been alleged of financial wrongdoing;

And whereas it has also been discovered that she is one of the trustees who recently voted in favour of diverting an enormous amount of money from the WCDSB's "reserve fund", meant for emergencies, in order to purchase \$300,000 worth of LGBT propaganda books to fill up school libraries, so that our children can be indoctrinated with even more anti-Catholic, sexual ideology;

We therefore demand that Kathy Doherty-Masters resign immediately from her position as a Trustee with the WCDSB and urge the rest of the board to call on her to step down.
