## **FEDERAL ELECTION 2000**

Campaign Life Coalition has been actively qualifying all Canadian federal election candidates. The candidates' responses to our questionnaire and our evaluation are available on the internet.

The web page is up and running and can be visited at: [www.lifesite.net](http://www.lifesite.net)

This site also contains valuable information & analysis on the leaders, the parties, and the issues that are facing the electorate in Monday's election.

The media and the general public are encouraged to visit the site and to gain knowledge of the life issues and the candidate's positions before the vote.
