Dear Jim,

With this donation I join with your always faithful actions to defend Canada's precious unborn children

\$25,  \$50,  \$100,  \$250,  \$500,  \$1,000,  \$5,000,  \$10,000  Other \$ \_\_\_\_\_

- I will make an extra special effort to meet with, or personally call my MP to ask that he/she support the upcoming motion to re-open the marriage debate
- I will respectfully write to the Prime Minister, the Minister of Justice and my MP to protest the injustice of the non-votable status given to Bill C-291
- I have supported Amnesty International in the past but will write to tell them no further donations will be made because of their support for abortion.
- I do not require acknowledgement of my gift.
