(As always, ANY amount is greatly appreciated!)

- I will tell as many people that I can about the great success of the March for Life, show them this newsletter and the upcoming *Interim* edition on the March, and encourage them to commit now to attend next year's march.
- I will especially encourage local religious leaders to make plans to attend the March for Life next year to lead delegations from their church communities or diocese.
- I will encourage school principals and teachers to promote the March and bring as many students as possible to this uplifting and enlightening experience.
- I do not require acknowledgement of my gift.
