

DURHAM CONCERNED PARENTS PRESS RELEASE OCTOBER 4, 2016

RAISING AWARENESS ABOUT THE DANGERS OF THE NEW SEX EDUCATION

On Tuesday, October 4, 2016 Durham Concerned Parents raised awareness about the dangerous effects of Premier Wynne's New Sex Ed. Curriculum at MPP Joe Dickson's Ajax office and MPP Lorne Coe's office. Twelve citizens stood up for the protection of all children from being sexualized by this curriculum. Representatives handed out information on the alarming details to be taught and exposed the child pornographer that was behind its creation (former Deputy Minister of Education, Ben Levin).

Members of Durham Concerned Parents discussed the success of the previous weeks **QUEENS PARK RALLY**. Supporters met at the Whitby Mosque on September 21st to head downtown to stand on guard for children from 12 – 2pm. CTV, City TV, Toronto Sun and Lifesite News were among the news media present to cover this historic event. This well organized, professional rally featured speakers such as Jack Fonseca of Campaign Life Coalition, Stephanie McEvoy of My Child My Choice, Charles McVety of Canadian Christian College, Tanya Granic from PAFE, Christina Liu from PAO, and Queenie Yu who ran in the Scarborough - Rouge Valley by-election to name a few. Concerned citizens stood shoulder to shoulder shouting "Shame!" to the government for disrespected their parental rights and their families' morals and values. Signs demonstrated their frustration stating "Sex Ed Does NOT have our CONSENT Kathleen!", "Cardinal Collins is not sex ed part of the same agenda as euthanasia and abortion? The fear of the funding Catholic education blinds you", and "Child Pornographer Ben Levin May NOT Influence OUR Children via Sex Ed". The rally was a victory for those opposed to the controversial curriculum and key in igniting this issue in the hearts and minds of people across our province!

Let's let the Premier, Education Minister and MPPs know that **Children are not state property!** Join us in the **"80+ letters" initiative** by sending personal letters to MPP Joe Dickson-Ajax-Pickering and MPP Jennifer French- Oshawa, to pressure them to share with their caucuses and at Queens Park, our concerns over the dangers of the curriculum. Our next Tuesday protest is on November 1, 2016 at MPP Joe Dickson's Ajax office at 10am-11:30pm and at MPP Jennifer French's Oshawa Office at 12pm-1:30pm.
