

C'MON LEGISLATORS Let's Talk About It

CALLING ALL SASKATCHEWANIANS

Each year, at least \$2 million taxpayer dollars are diverted from genuine healthcare needs in Saskatchewan, like hiring doctors, nurses and autism treatment. Instead, your money is being funneled to pay for elective abortions. It's time to delist abortion from the province's health insurance plan, as a medically **unnecessary** procedure. Join us at Saskatchewan's 2014 March For Life on April 28. We'll gather at the provincial legislature and then march on Albert Street.

Will you be a part of this taxpayer liberation movement?
