

# Endorsements for Ontario PC Party Leadership Contest

By: Campaign Life Coalition 

Out of five leadership hopefuls, only the two below are rated SUPPORTABLE by CLC. Please buy a PC Party membership so you can help elect one of them as the new Leader, and hopefully our next Premier.

Membership deadline is February 28 and open to citizens or landed immigrants 14 years of age or older. Voting will take place May 3 and 7 by preferential ballot, meaning it is important that you indicate on the ballot who is your 1st and 2nd choice. We leave it up to you to decide whether to mark Monte or Patrick as #1.

## Monte McNaughton

- Currently serves as MPP for Lambton-Kent-Middlesex
- Has been heroic in his vocal opposition to Kathleen Wynne's explicit sex education curriculum. The curriculum, which was written under the direction of a man who has confessed to child pornography-related charges, plans to:
  - teach about anal and oral sex in Grade 7
  - actively encourage children to masturbate in Grade 6
  - teach Grade 3 children the theory of Gender Identity, which holds that being a boy or a girl is not necessarily related to your physical anatomy
  - get 6 year olds talking about genitalia in Grade 1
- The only MPP who has spoken out against the sex ed program
- Respects the sanctity of human life

## Patrick Brown

- Currently serves as federal MP for Barrie
- Has a perfect voting record in the House of Commons on life and family issues, including having supported Stephen Woodworth's Motion 312 and opposed the transsexual "Bathroom Bill" C-279.
- Although Patrick told the media he would not change the provincial status quo on abortion, he subsequently clarified to CLC leaders that he would not put forward any government bills, but neither would he stand in the way of any pro-life related private members bill.
- In discussions with CLC leaders, Patrick reiterated that he respects the sanctity of human life.
- Opposes Kathleen Wynne's sex ed curriculum
