

You're Teaching my child **WHAT?**

A physician reveals the dangers
of Ontario's new Sex-Ed curriculum

We can only raise our children once
we have to raise them right

Dr Grossman
will unmask the
new curriculum
as a fiasco

New Sex-Ed:

- Endorses high risk behaviors
- Omits life-saving facts
- Is about social change not health
- Undermines parents

Miriam
Grossman MD

Miriam Grossman MD is a practicing physician, author, and speaker. She is known internationally for her courage in breaking ranks and calling foul on the Sexuality Education industry. She has lectured at the British House of Lords and the United Nations, and her work has been translated into seven languages. Dr Grossman speaks on the importance of childhood innocence, and the dangers of a powerful sex education lobby that promotes sexual license instead of sexual health.
