

PETITION TO THE HOUSE OF COMMONS
OPPOSING THE CREATION OF A RIGHT TO ABORTION

WHEREAS no one has the right to kill another human being no matter his or her age, stage of development, or disability; there is no place for this practice in our laws, regulations, or Constitution.

WHEREAS elective abortion is the killing of another human being before birth.

WHEREAS elective abortion is practised in Canada until birth because the Parliament of Canada failed to respond to the 1988 R. v. Morgentaler Supreme Court decision.

WHEREAS none of the seven judges in the 1988 R. v. Morgentaler decision held that there is a constitutional right to abortion on demand.

WHEREAS all of the seven judges in the 1988 R. v. Morgentaler decision acknowledged that the state has a legitimate interest in protecting human beings before birth.

WHEREAS the Parliament of Canada has a duty to enact legislation to protect all human beings before birth.

WE, THE UNDERSIGNED, citizens of Canada

CALL UPON THE House of Commons

TO oppose the creation of a “right to abortion” in Canada.
