

SAMPLE BULLETIN ANNOUNCEMENT

DEFUND ABORTION RALLY—SEPT 28, 2013

Did you know that Newfoundland & Labrador taxpayers pay at least **\$1 million** every year to fund elective abortions, while many genuine health care needs do not get covered by provincial health insurance, or are grossly underfunded?

Those taxpayer dollars could instead be used to hire **5 family doctors, or 14 nurses** in communities facing a shortage crisis. Or purchase an MRI machine each year to reduce wait times.

Please join us **Saturday, September 28, from 2:30pm—3:30pm** at the Confederation Building in St. John's for a Defund Abortion Rally.

We'll ask MHAs to stop forcing taxpayers to subsidize abortions in our province. For info visit www.campaignlifecoalition.com/defundNL or call 709-279-3580.

Organized by Campaign Life Coalition Newfoundland.
