

# STOP BILL C-9

# RALLY

**MAY 1ST : 12PM-1PM**

**Bill C-9 will empower police to charge Christians with "hate speech"** for quoting certain parts of the Holy Bible, and for making biblically-based moral statements on sexuality.

**Let's stop it from becoming law** by peacefully protesting outside our local MP's office. Just hold a sign and pray silently for God to shut down the Liberal government's anti-Christian bill C-9.
