2020 Summer Internship

The summer internship program run by Campaign Life Coalition and *The Interim* newspaper is designed to challenge and reward a select number of students with the unique opportunity to work full-time in the pro-life movement with Canada's largest and oldest pro-life organization. Please read the details provided below before applying.

Application Deadline: Friday, March 20, 2020

Location: To Be Determined.

*CLC's Toronto office is currently located at 300-104 Bond St, Toronto, ON M5B 1X9. By mid-summer *at the latest*, we will be moving to a new location in the Golden Horseshoe region, the precise address of which is yet to be determined.*

Hours: Monday- Friday, 9am-5pm (unless otherwise discussed); ~40 hours/week

Wage: Minimum (\$14.00/ hour)

Eligibility: 14-29 years old

Though the location of our office is in flux at the moment, those interested in the internship but unsure if they will be able to travel to either our current Toronto office or our new location are encouraged to apply anyway. When we send out acceptances in late April, we will inform successful applicants where they can expect to be working. If the location is unfeasible for whatever reason, applicants can decline the opportunity with no hard feelings. Alternatively, CLC would be happy to assist the successful applicant in making travel arrangements or finding nearby accommodations.

Internship Description:

All interns will be expected to work a full 40-hour workweek, during which time they will report to a supervisor. Interns will rotate through various assignments and supervisors in the office on a weekly or biweekly basis so that they can appreciate the breadth of the work that we do - from administrative tasks, to writing and researching for *The Interim* and *The Interim Plus* curriculum, to assisting our political team, to helping organize Life Chain, to engaging peers through CLC Youth, etc.

Campaign

In addition, each intern will be expected to participate in weekly activism and attend weekly training sessions to learn more about pro-life apologetics and the many facets of the movement and to practice their newfound skills. Interns will have the privilege of attending various events and conferences on behalf of Campaign Life Coalition and meeting various pro-life leaders, such as the Sisters of Life, Silent No More Awareness Campaign's Angelina Steensstra, Euthanasia Prevention Coalition's Alex Schadenberg, etc.

If you're not sure which arm of the pro-life movement you're most drawn to (educational, political, pastoral) or you want a taste of it all, this internship is for you.

A portion of each work week this summer will be spent assisting with our move. Interns can expect to spend some of their time packing or unpacking and completing other move-related tasks.

To apply, email the following to deny@campaignlifecoalition.com and youth@campaignlifecoalition.com by Friday, March 20, 2020.

- **Completed Application Form** (included below)
- **Personal Reference Form** (included below)
- **Cover Letter**
- **Resume**
